## Daily Scripture Readings Calendar

### Daily Reflection Questions:

1. What does this passage say about God?
2. What does this passage say about your relationship with God?
3. What does this passage say about my relationship with others?

### Looking for ways to dig deeper into the Scriptures?

1. Write your answers down in a journal
2. Look at the footnotes located at the bottom of the page. In the passage, notes may be indicated by a "1" or "2", or "a" or "b", and the note will be found at the bottom of the page. You can also look up the Bible references at the bottom of the page.
3. Looking up the other places that passages or may be used can lead to a deeper understanding of what's happening in the passage you're reading for the day!
