

Oak Forest Youth Group have made “Blessings Bags” to be distributed to the homeless and impoverished in our area. These bags consists of snacks & personal hygiene/health items and can be distributed to needy to people as you see them outside stores, on street corners, and when you stop at stoplights. There are containers of the blessing bags in the sanctuary narthex and the FLC lobby, or you can ask a Youth Group for help.

**Please grab a few and help us spread them throughout our area!**
