Unit Description:

Jesus Centered Life—This fall we will be using the “Jesus Centered” curriculum during Youth Group. This highly interactive curriculum is about moving closer to the Jesus you never knew and living out the Jesus Centered life you didn’t think was possible. In addition, students will be using their “Jesus Centered Life” devotion books given by Oak Forest UMC as part of Genesis Sunday.

Movie Clip Discussions— These lessons will use movie clips from popular movies that will kick off a discussion or illustrate a Biblical lesson.
